

INTRODUCING A NEW LEVEL OF LUXURY

Designed to set new standards of comfort and elegance, we believe few resorts in the world will ever match Monte Rei Golf & Country Club.

Occupying over 1,000 acres of idyllic countryside in the Algarve – the warmest and arguably most picturesque part of Portugal – this exclusive development will feature two championship golf courses, a choice of spacious luxury villa plots, twin villas, linked villas, terraced apartments and a magnificent golf clubhouse offering unparalleled levels of style and comfort.

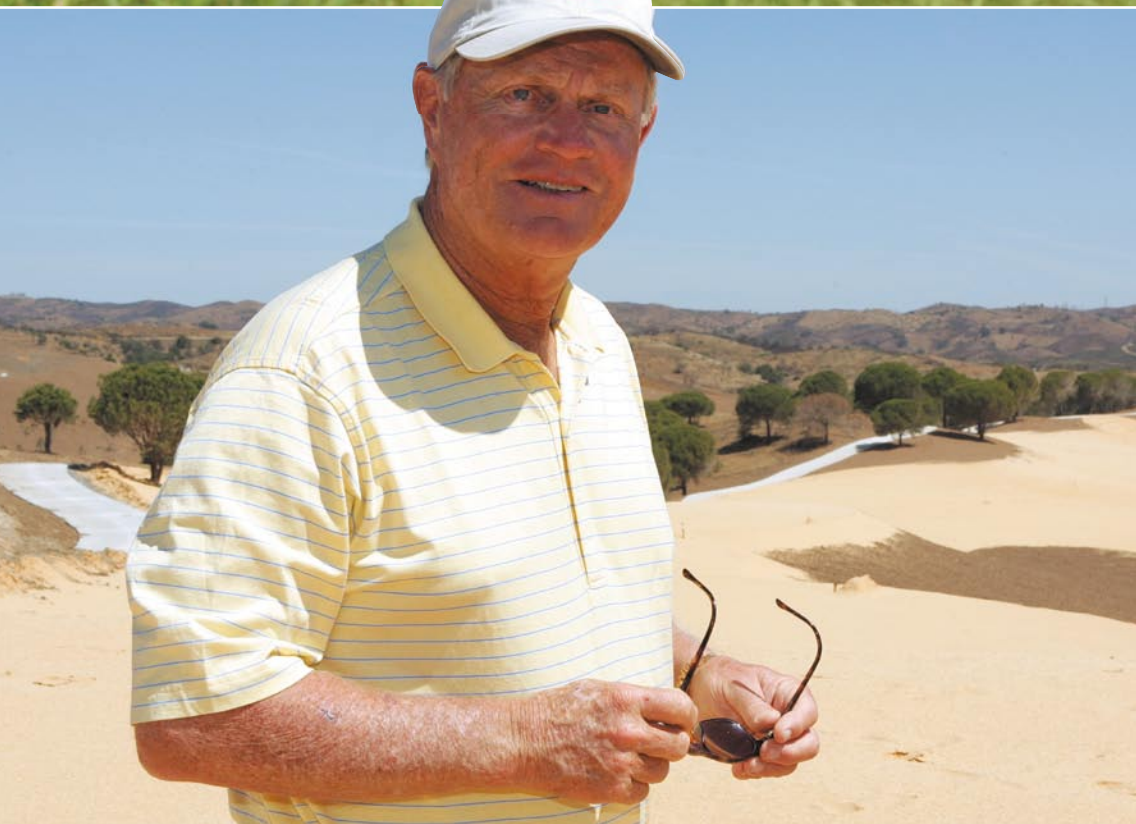

And it gets even better than that.

The North course, a challenging Jack Nicklaus Signature Golf Course featuring five lakes, will be the focal point – and a second course in the South, of an equally high standard will complete the picture. Framed by dramatic mountains on one side and breathtaking views of the Atlantic Ocean on the other, our luxury villa plots – situated on the Jack Nicklaus Signature Golf Course – elegant villas and apartments will nestle in a landscape carefully selected for its privacy and designed to preserve and enhance the natural beauty of the area.

A building density lower than any other comparable development in Europe will ensure that this is the perfect venue for golfers, their friends and families to enjoy life as it should be...

...Monte Rei life

MONTE REI GOLF & COUNTRY CLUB – THE BEST ADDRESS IN EUROPE

A golfer's paradise, Monte Rei is sure to be one of the most sought after locations for true connoisseurs of style.

This world-class development has demanded world-class design and planning, with special attention given to ensure the perfect uninterrupted golfing experience, while maintaining the seclusion and privacy of the stunningly positioned homes and plots. Thus, ensuring wonderful views of the surrounding natural Algarvian landscape and coast for both golfer and owner. Imagine, enjoying all the comforts of an architect designed, luxury home; testing your skill on a course designed by a living golf legend, relaxing at an exclusive beach club, then pampering yourself in a seductive spa. Or perhaps wining and dining in the most elegant of surroundings...

All this, and more, will be possible every single day at Monte Rei.

WORLD-CLASS GOLF – IN A RESORT THAT'S IN A CLASS OF ITS OWN

Jack Nicklaus – 'The Golden Bear' won't agree to design just any golf course. In fact, he only ever agrees to create a course when he is certain that he can put something of himself into the ground that will act as a legacy long after he is gone. Jack immediately recognised the natural beauty of the location that makes Monte Rei so special – agreeing to design one of his unique Jack Nicklaus Signature Golf Courses especially for us.

Our second, 18-hole championship course will be of an equally high standard, challenging, enjoyable and just as picturesque, and both will be supported by an excellent driving range and other outstanding practice facilities.

EXCLUSIVE LUXURY VILLA PLOTS – FOR DISCERNING INDIVIDUALS

In the first phase of this stunning development there will be a limited number of exclusive villa plots, allowing discerning investors the opportunity to own a home that is truly special.

A home designed to their own specifications.

Set around the Jack Nicklaus Signature Golf Course, the location of these extremely spacious plots has been carefully chosen to offer spectacular views of both the greens and the breathtaking surrounding countryside.

As part of our after sales service we will be happy to assist in the selection of the architect, building contractor and project manager, should you wish – but of course, it must be remembered that all villa designs will be subject to approval, to ensure they comply with the essential architectural integrity of the development.

Property owners will naturally have the option to buy golf membership, which can be passed on with the property.

O MIRADOURO – THE PERFECT PORTUGUESE VILLAGE

Located at the heart of Monte Rei will be O Miradouro village – a cosmopolitan haven, inspired by traditional Portuguese architecture.

Homes available within the village will include approximately 90 twin houses and linked villas set amongst nearly 25 acres of elegantly landscaped gardens of natural Algarvian plants and indigenous trees.

And the real sense of community will be enhanced by an exclusive club which will include a bar, restaurant, pool, tennis facilities and a fully equipped gymnasium creating a truly cosmopolitan village.

A CHOICE OF THE MOST LUXURIOUS TERRACED APARTMENTS

Another unique feature of the Monte Rei development will be Vista Real, a community containing 33 luxury terraced apartments, a gymnasium and a large swimming pool area. Cascading down the hillside they will enjoy stunning views of the ocean, the lake, and the all-important '18th' on the Jack Nicklaus Signature Golf Course.

A variety of substantial apartment types are available, all with large terraces – thirty one 146m² two-bedroom and two 202m² three-bedroom penthouses. And, as you would expect, these homes will benefit from reserved underground parking each with direct lift access and secure underground storage.

Naturally, a concierge service, property management and rental services will be available.

All less than 100 metres from the clubhouse!

AN EXCEPTIONAL OPPORTUNITY IN A SPECTACULAR SETTING

For serious golfers and their families, or indeed anyone with an appreciation of the finer things in life, Monte Rei Golf & Country Club offers an exceptional investment opportunity.

With no compromise on the quality of location, views, design, building materials both on and off the courses, whether you desire a luxury villa, a stunning, fully appointed apartment or a luxury home of your own individual design – you won't find a better place to fulfil your dream.
